

# WittcoSales

**THE ANSWER TO YOUR SEMICONDUCTOR ASSEMBLY NEEDS**

Tom Wittmer 818.606.3990 Email: [tomwittmer@wittcosales.com](mailto:tomwittmer@wittcosales.com) Web: [www.wittcosales.com](http://www.wittcosales.com)

**SAM provides a full range of semiconductor assembly processes:**

- Saw & waffle pack
- Eutectic, epoxy & solder preform die attach
- Ball, stitch, round, ribbon, AU, AL, deep access wire bond

Visit: [www.semiconductor.com.my](http://www.semiconductor.com.my)

**American Dicing is a high precision dicing and scribing Co for the microelectronic industries.**

**Offering a broad range of services:**

- Dicing Services
- Tape and Reel Services
- Die Packaging Service

Visit: [www.americandicing.com](http://www.americandicing.com)

**THIN FILM INDUSTRIES**

**Thin Film consistently meets the demanding requirements of the telecommunications, microwave, Bop-medical, aerospace, automotive & lightwave industries:**

- High Frequency above 4GHz
- Half-Mil Lines & Spaces
- Tolerances up to .001 inches

Visit: [www.thinfilmindustries.com](http://www.thinfilmindustries.com)

**Chip Targets is a state-of-the art failure analysis laboratory with fast turn-around. Chip Targets have many capabilities:**

- Package & Board Analysis (SAM, X-RAY)
- Cross-Sectional Analysis (with Ion Mill Polish)
- Focus Ion Beam (FIB) Services

Visit: [www.chiptargets.com](http://www.chiptargets.com)

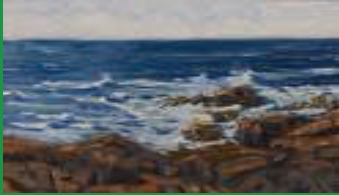

**C.C.C.  
BONDING WIRES  
USA Wire Supplier**

**C.C.C. is a USA Manufacturing Facility with Quick Turn -Around time for your Bonding Wire needs:**

- Gold & Aluminum Bonding Wire
- Aluminum-Silicon Bonding Wire
- Aluminum Bonding Wire Large Diameter

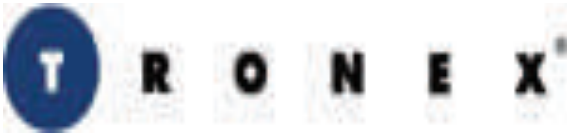

Visit: [www.chipconn.com](http://www.chipconn.com)

Tronex Tools a leader in cutting edge technology with quality cutting performance, comfort and value:

- Tip Cutters Standard & Specialty
- Angulated Cutters & Hardwire Cutters
- Precision Pliers Chain Nose & Needle Nose

Visit: [www.tronextools.com](http://www.tronextools.com)

Keteca USA manufactures wafer & substrate dicing saw blades & dicing surfactant:

- Diamablade Dicing Saw Blades
- Diamaflow 688 CL Wafer Coolant
- Diamakleen Water Based Aqueous Cleaner

Visit: [www.ketecausa.com](http://www.ketecausa.com)

Space Micro is a high technology firm with a special focus on space & military applications:

- Anti tamper (AT) coating
- Thermal protection coating
- Multifunctional radiation shield RADCOMP

Visit: [www.spacemicro.com](http://www.spacemicro.com)

Mintzloff Design is a full-service product development firm. They are experts in all phases of product development and provide quick, cost-effective, and creative solutions to your product development needs:

- Mechanical Engineering
- Design to Cost
- Electrical Engineering

Visit: [www.mintzloff.com](http://www.mintzloff.com)

UPA Technology offers precise & instant measurement tools:

- Surface Copper Measurement
- Measurement of Plating Thickness AU, AL, Nickel etc.
- Measurement of Coating Thickness

Visit [www.upa.com](http://www.upa.com)
